 2. Reset via Email

Okta Sign in page, Self Serve pages

Documentation for Sign in Help page: <https://fcawitech.oktapreview.com/help/login>

This can be used to seek help from Okta administrator directly from this form.

1. Reset Password request through email

1. Reset password when account activation token is expired (first time user)
2. Reset password link is expired
3. When reset password email lost.

2. Reset MFA request

1. When the device is lost or not functional

3. Unlock Account

- 4. YubiKey Setup:** The attached file(Programming_YubiKeys_for_Okta.pdf) contains steps to download, install and configure yubi keys (refer pages 8 to 10). In the process, a configuration secrets csv file is generated (configuration_log.csv). This file needs to be sent to admin and the admin will configure this csv file on the user account.

Sign-In Help

[← Back to Sign-In Page](#)

Okta is an on-demand service that allows you to easily sign-in to all the applications your organization uses through a single login.

Once you sign in, your Okta home page displays all your applications in one location. Simply, click the application's corresponding icon and each application opens in a new browser window or tab and you are automatically logged-in.
